

Journal Publishing Agreement Form

Korean Distribution Science Association (KODISA)

Section 1: In consideration of the undertaking set out in Section 2 and upon acceptance by the Editor for publication in the Journal, the Author(s) grants to KODISA ('the Publisher'), subject to Section 5, the exclusive right and license to publish the Article entitled: **How Does Green Investment, Corporate Social Responsibility Disclosure, and Social Collaborative Initiatives Drives Firm's Performance?**

by __ F. PAMBUDI .WIDIATMAKA ,DIAN WAHDIANA, , JANNY ADRIANI DJARI, SAMODRO BINTANG A.M LEONARDUS, SUKRISNO.

to be published in _ **The Journal of Distribution Science (JDS)** (Title of the Journal)

This license includes the right to publish, including the right to sub-license appropriate publishing or distribution rights, the material in the article in both printed and electronic form; the Article may be published in printed, online, CD-ROM, microfiche or in any other media formats.

Section 2: The Publisher hereby undertakes to prepare and publish the Article named in Section 1 in the Journal, subject to its right to refuse publication if there is a breach of the Author's warranty in Section 5 or there are other reasonable grounds.

Section 3: The Editor of the Journal and the Publisher are empowered to make such editorial changes as may be necessary to make the Article suitable for publication. Effort will be made to consult the Author if substantive changes are required.

Section 4: The Author warrants that the Article is the Author's original work, has not been published before, and is not currently under consideration for publication elsewhere, that the Article contains no libelous or unlawful statements, that it in no way infringes the rights of others, and that the Author, as the owner of the copyright, is entitled to make this assignment.

Section 5: KODISA, as the Publisher, reserves the right to refuse to publish your Article where its publication creates legal liability or where circumstances come to light that were not known to the Editor, including but not limited to prior publication, conflict of interest, manifest error, etc. The Publisher is the ultimate custodian of academic quality and integrity and will ensure that this will be done on reasonable grounds. In such circumstances, the Article will be returned to the Author together with all rights therein.

Section 6: The article will be written and published in accordance with Publication Ethics, and each author must indicate his/her contribution to the Article in Exhibit 1. The sworn statement (Exhibit 2) must be signed by the Author(s).
