LETTER OF PROTEST FOR SHORT LOADING

I, master of M. T. PRINCESS NAOMI hereby protest for short loading of cargo (RON-88) while loading at your terminal

Cargo quantity Requested By Vessel (barrels at 15° C): 196.800 BBLS
Cargo quantity Supplied By Terminal (barrels at 15° C): 194.737,531 BBLS
Shortage of Cargo loaded: 2062.469 BBLS

The above quantities are based on ship's calculations. The Loading Master, P&I, Surveyor and the ship's officer carried out the gauging of cargo tanks after completion of loading.

Therefore, I master of M. T. PRINCESS NAOMI, on behalf of my owners, charterers hold you responsible for deadfreight and any consequential loss arising therefrom. I also reserve the right to extend this protest further to any time, date & place convenient.

Yours truly,

MASTER OF MT PRINCESS NAOMI
