Anggun Citra Bestari, 51145527.K, 2018, "*Analysis The Importance of Basic Offshore Safety Induction and Emergency Training (BOSIET) For Safety on Crewboat at PT. Fast Offshore Indonesia* ", Port and Shipping Mini Thesis, Diploma IV Program, Semarang Merchant Marine Polytechnic, Material Supervisor I : Nur Rohmah, and Supervisor II : R.A.J Susilo Hadi Wibowo.

Basic Offshore Safety Induction and Emergency Training (BOSIET) is a safety training that is dedicated to offshore workers. PT. Fast Offshore Indonesia is one of the offshore companies. Application of BOSIET at PT. Fast Offshore Indonesia has been implemented but has not been applied maximally because the company is still dependent on charter's mandatory. The purpose of this research is to know the importance of BOSIET application for crewboat at PT. Fast Offshore Indonesia, knowing the factors that constrain the application of BOSIET to sail safety on crewboat PT. Fast Offshore Indonesia, and to know what efforts should be done for the application of BOSIET to sail safety on crewboat PT. Fast Offshore Indonesia.

This research uses descriptive qualitative method by describing in detail the importance of BOSIET application for crewboat in PT. Fast Offshore Indonesia, a factor that constrains the application of BOSIET to sail safety on crewboat PT. Fast Offshore Indonesia and efforts to be made for the application of BOSIET to sail safety on crewboat PT. Fast Offshore Indonesia. Data collection is done by interview, literature study and documentation related to BOSIET implementation in PT. Fast Offshore Indonesia.

The results showed that, BOSIET important applied for crewboat in PT. Fast Offshore Indonesia for the crew to know the description of where they work, the dangers of offshore and how to prevent and control the dangers offshore. Factors that constrain the application of BOSIET is the company is still dependent on charters and many crew's BOSIET certificate has expired. Effort to be made For Application BOSIET for safety sail on crewboat at PT. Fast Offshore Indonesia are PT. Fast Offshore Indonesia provides socialization for crews about the importance of BOSIET training and the importance of BOSIET refresher, taking decisive action for the crew about BOSIET certificates by requiring all crew members to have BOSIET certificates and reminding the crew to conduct BOSIET refresher training before the certificate expires.
